## A WEDDING LASTS ONE DAY, BUT LIVES ON FOREVER IN YOUR MEMORY...

Step into a haven of timeless romance and let Killashee weave its magic on your very special day. Steeped in history, our gorgeous estate is a world away. Nestled in the rich rolling countryside

of County Kildare, with acres of splendid parkland, beautiful manicured gardens and secret woodland hideaways, we promise you a day to treasure forever.

## YOUR ONCE UPON A TIME IS NOW...

The murmur of anticipation as your guests await... your grand entrance into a room filled with family and friends... our Thomson Suite, opulent and spacious and complete with separate dancefloor and bar in the room, is perfect for a lavish affair.

## CAPTURE EVERY MOMENT...

The ballroom can comfortably cater for Wedding parties of 120 guests to 250 guests. The suite may be extended to cater for parties above 250 guests. Enjoy a sumptuous wedding banquet under sweeping arches and raise a toast to your union in a constellation of glittering chandeliers.

Our Fountain Gardens create a stunning backdrop for your all-important photographs and for stealing a quiet moment together, away from the bustle and excitement of your big day. Specially reserved for you, they're overlooked by the Gallery Lounge, perfect for an elegant drinks reception.

## EVERYTHING CONSIDERED...

You've found love, now find the perfect place to honour it. Killashee has a range of gorgeous suites ideal for a Civil Ceremony. We would be delighted to talk to you and begin to craft a celebration as unique as you are.

Once you walk across our threshold everything is right here for you... luxuriously appointed suites for you and your guests, a spa and salon for pre- and post-wedding pampering. Or why not add a traditional twist to your nuptials with a Céile round the fire in The Snug, your very own Irish pub.

## A FEAST FOR THE SENSES

Sharing good food with family and friends is the heart and soul of a great wedding. Seasonal showstoppers are created from the finest quality ingredients, sourced from producers who are dedicated to their craft. Stay a little longer and indulge your guests with a lazy barbeque on the terrace.
