

Summerhill Country House Hotel

Wedding Testimonials

Seamus and all the staff in Summerhill did everything they could for us for our wedding. They made everything easy and relaxed. From sneaking us off to get a little food on our own when we arrived to sorting out our music when it wouldn't play from our tablet, setting up the room with all of our diys and taking care of all of our friends and family to the highest standard. I couldn't recommend them enough for a wedding.

We had our wedding at the Summerhill House Hotel on 12th September 2019. It was an amazing day and we couldn't recommend this hotel enough. The setting is beautiful, staff were excellent as we were so well looked after by everyone but I have to give Seamus a special mention as he went above and beyond to ensure we had a super day. Anything we asked for we got it, and not a problem. His years of experience in this role most certainly showed, and he also had a very calming approach to everything on the day which was so helpful to us. The food was excellent. Everyone was served at the same time. We had great feedback from our guests regarding the food and wine which was lovely to hear. All in all, what more can we say, other than, our day will be forever a beautiful memory at this hotel. Thank you all at the Summerhill House Hotel for everything.

We had our wedding in the Summerhill House in August and it was amazing! Seamus and all the staff went above and beyond to make our day perfect, we fell in love with the hotel the minute we walked in and knew straight away it was for us and our guests loved the place as much as we did! We cannot thank you enough for making our day so special.

The timely response to all emails by Séamus and his attention to detail with all of our requests. He was extremely helpful and professional and always answered all queries within 24 hours. He accommodated all of our special requests and made everything so stress free in the run up to the wedding which was really appreciated. Everything ran smoothly on the wedding day itself and guests had a great time.

Staff were absolutely amazing. Went above and beyond and couldn't do enough for us. Excellent value for money and really felt that Séamus gave all the added extras. Some of our guests commented that it was the best wedding food they ever had!

I genuinely enjoyed every minute of planning my wedding with Seamus. They were a few things that were really important to me and Summerhill House ticked those boxes. I spent many days in the lead up to my wedding at the hotel and the staff were so so lovely every single time. My Wedding Day was the best day ever thanks to the staff and this beautiful venue. I would not change a single thing.

From initially considering Summerhill House as a Wedding venue we were blown away by the professionalism of the team and the attention that was given to us as a couple. Having toured the country viewing different styles of venue, we were totally at home in Summerhill. From first meeting Seamus and Ludo, we were immediately taken care of and made to feel that we weren't just another couple on the wedding conveyor belt, which was certainly not how we felt at several other venues we'd visited.

Summerhill House Hotel was the perfect venue for our wedding. The staff are so helpful and lovely. The function room is absolutely stunning and the value for money is honestly the best out there, having compared to other venues. Everyone commented on how much food was provided, no one was left hungry at all. We got married in Rathmines and then had our drinks reception in Summerhill, followed by our meal, dancing and then into the residents bar singing songs until 4am. Everything ran so smoothly and we weren't stressed or worried about a thing - in large part due to the wonderful staff in Summerhill, especially Seamus the wedding co-ordinator and Ludovic the hotel manager, we knew our day was in the best hands.

A huge thank you to Seamus, Ludo and the whole team at the Summerhill House Hotel for the best day ever. You were all a pleasure to deal with.

The team at Summerhill are unbelievably experienced in creating the perfect wedding day. From booking, to tastings to our silly questions to the big day itself we couldn't have been happier. We and all our guests loved the food, drink and celebrations at the Summerhill House Hotel.

It is a beautiful wedding venue in wonderful Wicklow.

Summerhills flexibility in ensuring that our day was unique to us was also exceptional, nothing was off limits and Seamus was willing to work with us on anything that we might have suggested adapting to suit our preference. Their staff were always on hand to make any adjustments in finalising plans, from decor, dietary requirements, flowers and room allocations to logistics with musicians and other vendors.

However the one thing that really stood out for us and set Summerhill apart from other weddings we've attended was the quality and abundance of the food and wine served. We both consider ourselves foody's and I can honestly say that we were thrilled with the fayre on offer at Summerhill.

Overall the venue really did tick all the boxes for us. Food was excellent, location hard to beat and it really does provide that country house wedding feel while being able to accommodate all our guests in one of the most picturesque parts of Ireland. If we could do it all again, Summerhill would be top of the list!!

Thanks for everything, Seamus, Ludo and the team at Summerhill.
