Enchanting, opulent and truly luxurious, Carton House promises you a wedding day to remember forever. The splendour of this beautifully restored 18th century Palladian mansion, nestled in 1,100 acres of stunning parkland, has earned Carton House a reputation as one of the finest wedding resorts in Ireland.

Originally the residence of the FitzGerald Family, Carton House has been painstakingly restored to its former glory, expertly combining the splendour of its original features with modern comforts and modern technology.

Our dedicated and experienced wedding planner is on hand to assist with anything you might need from recommendations for flowers to food, complimenting wine, show stopping centre pieces, bespoke place settings and that perfect location for your wedding photos.
